Read Government Resolution, Finance Department, No. 6567/33, dated the 6th Jyly 1948 and schedule thereunder.

"I am to invite a reference to Government Resolution, Finance Department, No. 6567/33-I, dated 6th July 1948 and schedule thereunder relating to scales of apy applicable to Assistnat Engineers Class(I) and Executive Engineers in the Bombay Service of Engineers Class I (page 18 of the schedule) and to state that since the prescribed scales of pay applicable to them have not been shewn in the manner in which the scales of pay applicable to these officers have been shewn in the Government Resolution, Finance Department, No. 150/33, dated 5th June 19 a doubt has arisen as to whether the pay of an Assistant Engineer officiating as a n Executive Engineer will be regulated according to his service and whether he will be entitled to an increment as in the senior scale on completing six years' of total service even if he does not complete one year's service in that scale ie., on Rs. 500/- per mensem. A reference is invited to the correspondence resting with Government Public Works Department letter No. 6810/36-II-E (I), dated 20th January 1949.

2. The concrete case which has given rise to this reference is that of Shri M.D.Kale Assistant Engineer (I) who is now officiating as Executive Engineer, Kaira Division, with effect from 4th August 1951. The officer was appointed as an Assistant Engineer (I) on pro-bation in the Bombay Service of Engineers (1) with effect from 5th May 1945, (page 1196 of History of Services as on 1st July 1946). Since he has already completed six years of service in the Bombay Service of Engineers (I) it is for consideration whether Shri Kale would be eligible to draw pay at Rs. 530/- per mensem from 4th August 1951 when appointed to officiate as Executive Engineer. Shri Kale was allowed to draw pay in the senior time scale from 22nd May 1949 to 7th February 1950 under orders communicated in Public Works Department....
